

Financial Assistance Terms

In order to receive financial assistance, I agree:

1. To the required down payment (approx. 33%) via cash, certified check, money order, credit card or PayPal (call 626-848-2950 to submit payment).
2. The down payment is required to secure my final training date(s), processing and applicable travel accommodations. There will be no refund of the down payment except in the case of the Entrepreneur Package (50% refund of down payment).
3. Each monthly payment will come with training; therefore once a payment is made there will be no refund of that payment.
4. I may stop payments at any time, without a refund of any previous payments or owing any future payments.
5. Aerobic Fitness Consultants may refuse to do business with me should I cause harm to the company. In that case, I would be refunded money paid so far minus any travel or equipment expenses.
6. Business development tools are the exclusive property of Aerobic Fitness Consultants, Inc. No knowledge that I have obtained at any time during training may be used to design my own business similar to KID-FIT. No business materials may be used for another business opportunity. By doing so, I may be fined, face criminal charges and/or be prosecuted.
7. A missed payment (30 days late) will be seen as forfeiture of the program and all money invested up to that point in time.
8. Tardy payments (10 days late) are subject to a 10% late fee and may delay my original completion date.
9. If my original completion date is delayed, any expenses incurred as a result are my responsibility (changes in travel plans, airline tickets, rescheduling fees, etc.).
10. Any equipment included in my business package (fitness equipment, computer, etc.) will not be available to me until I am making the last third of my payments.
11. All of the above expenses must be paid in full, within the specified time frame, before a KID-FIT license can be issued to me.
12. I become an authorized KID-FIT licensee once I have completed the final stage of training on my secured training date(s). I will not be able to sell, provide classes or refer to myself as an authorized KID-FIT representative until that time.
13. My first session of teaching the actual KID-FIT program and the start of my one year curriculum will begin at the completion of my final training date(s).
